

Zenith Industrial Rubber Products Private Limited

www.zenithindustrialrubber.co.in

We are among the pioneers in the industry for manufacturing, exporting, supplier, retailer and trading Rubber Sheets, Flooring and Mats. The offered products are regarded for being durable, non abrasive and resistant to scratches.

Profile

Zenith Industrial Rubber Products Private Limited was established in **1967** and is functioning as the successful manufacturer, exporter, supplier, retailer and trader of Rubber Sheets, Flooring and Mats. Our product range includes Rubber Sheets, Mining Industry Rubber Sheets and Water Proofing Sheets. The offered products are highly appreciated by our clients for being perfect in surface finish, durable, dimensionally precise, resistant to chemicals, non abrasive and resistant to wear and tear. These find usage in electrical plants, automobile industries, hotels, offices and restaurants. We are the proud members of Chemical and Allied Export Promotion Council (CAPEXIL) and Federation of Indian Export Commission (FIEO).

Our manufacturing facility is armed with high capacity machines for handling bulk orders conveniently and offers an exquisite range of products to our customers. We source our raw materials exclusively from an authentic vendor base and check their track records as well. Our quality control facility is equipped with latest machines of checking the quality of the manufactured goods. We have a spacious warehouse for storing of bulk orders comfortably. Our methods of packaging are innovative as well as environment friendly. We deliver products within the stipulated time period owing to our major transportation network.

Our mentor, **Mr. A. M. Vohra** , is the source of inspiration for the firm. His sharp business acumen has earned loads of profits and has streamlined the operation of the organization. **We export our products in North and South America, Europe, Middle East, Africa and Australia.**
